LFI INNOVATION AWARDS CELEBRATE SPECTACULAR ACHIEVEMENT, LIGHTING INNOVATION

Atlanta, May 8, 2007—The **2007 LFI Innovation Awards**—the lighting industry's premier awards-based event—(formerly The New Product Showcase) sets in motion the introduction of the most dynamic array of innovative products and emerging technologies—all from the world's leading lighting manufacturers exhibiting at LFI 2007.

Each of the 139 products submitted for the 2007 program were judged by an independent panel of industry experts who brought decades of expertise and passion to the program. The winners of the 2007 LFI Innovation Awards are:

- **ARC Keeper® Arctic™ 175 HID Backup Ballast from The Bodine Company.** Winner of the *Most Innovative Product of the Year*, the program's highest honor recognizing the most innovative product for 2007.
- **ORUS Roadway Luminaire from North Star Lighting.** Winner of the *Design Excellence Award*, recognizing product excellence in design and application.
- **Luxeon Rebel from Philips Lumileds and ALTO II T8 Lamps from Philips Lighting Company.** Co-winners of the *Technical Excellence Award*, recognizing lighting technology excellence.

Additionally, LFI 2007 recognized and celebrated **Best of Category Award Winners** in the following categories.

- **Specialty Lamps:** Luxeon Rebel from *Philips Lumileds*.
- **Conventional Lamps:** T8 Lamps featuring ALTO II Lamp Technology from *Philips Lighting*.
