

Organic shape and minimalist form conceals the mechanics of this high-performance luminaire, offering both volumetric and directional lighting with multiple light sources and infinite control options for layered illumination.

PROJECT NAME:	TYPE:

ACCEPTING ORDERS JANUARY 2026

FEATURES

- Choose your light sources between downlight, waveguide, and uplight.
- Choose your controls grouping.
- Configurable stem lengths up to 172" that can be cut to any length.
- Up to 8992 combined delivered lumens.
- For custom finish combinations, please contact: productsupport@luciferlighting.com

ILLUMINATION OPTIONS

Stem mount features downlight, waveguide, and uplight that are all independently controllable.

STEM MOUNT

A LUMINAIRE

Body with integrated heat sink and LED assemblies. Power supplies may be integral or remote mount.

B BACKCAP / CANOPY

Conceals hidden twist-on mounting hardware and houses integral driver assemblies.

Available in powdercoat finishes.

STEM

Available in powdercoat finishes in field cuttable lengths up to 192"; supplied in 43" increments, 2" minimum length.

BODY

Visible when off behind waveguide. Available in powdercoat finishes.

WAVEGUIDE

Transmits light creating illumination effect. Ships with protective cover installed.

OPTIC

Robust light engine with optimized optic pairing integrates Reflection, Refraction and TIR offering 10°, 15°, 20°, 25°, 40°, 60°, and 85° beams.

MEDIA

Limited to one effects device. Media is field-changeable.

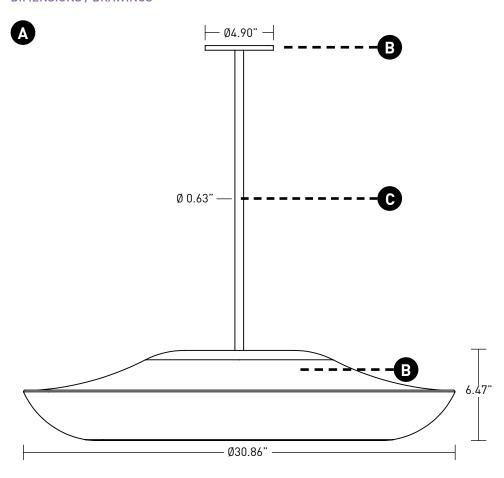

BAFFLE

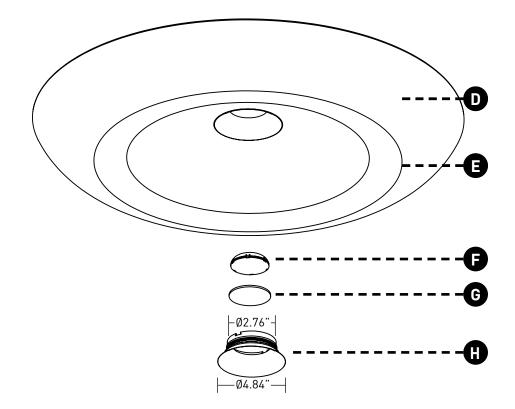

Die-cast removable baffle features 71° glare cutoff. Minimizes aperture glare and conceals view into fixture; includes silicone gasket.

CLEANING INSTRUCTIONS

Factory recommends cleaning waveguide assembly with a microfiber cloth or similar non-abrasive cloth. In most cases a damp microfiber cloth will remove dust/debris or fingerprints. For stubborn stains, approved cleaning agents include soap and water.

DIMENSIONS / DRAWINGS

STEM MOUNTING

■ STEM 'J' MOUNT

Integral mounting adapter attaches to standard 4/0 box. Features easy twist-on engagement to fixture and safety lanyard. No rough-in components required.

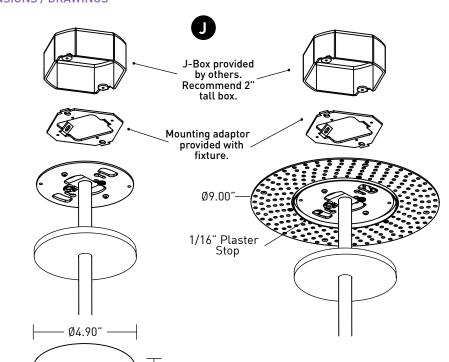

STEM MOUNT ZERO-SIGHTLINE

Integral mounting adapter attaches to standard 4/0 box. Features easy twist-on engagement to fixture and safety lanyard. Canopy mounts flush with minimalist transition to ceiling. Features 1/16" plaster stop.

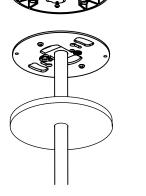

K STEM CEILING MOUNT JUNCTION BOX (CMJB) CMJB provides integrated look where exposed conduit and ceiling boxes are required. Integral clamps eliminate the need for bulky exposed conduit fittings and conduit offsets, making for a sleek finished appearance, while saving labor time and expense. Conduit entrances located at top of box and 12, 3, & 6 o'clock. For use with 3/4" and 1/2" EMT conduit and dry/damp locations only. Blank off plugs included. Painted finishes only.

DIMENSIONS / DRAWINGS

REMOTE POWER SUPPLY

PS-RMT

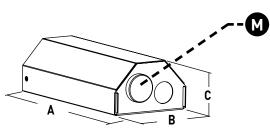

Each source requires a separate remote power supply. Consult chart on page 9 for maximum allowable secondary run lengths between PS-RMT and fixture. Must be installed in an accessible location.

ATHENA / CASAMBI CONTROL

Controls integrated into housing or remote driver assembly. All equipment is serviceable.

DIMENSIONS / DRAWINGS

TECHNICAL

CONSTRUCTION

Fixture: Machined aluminum canopy and spun reflector; die-cast aluminum heat-sink; painted finishes are granulated powder coat. CMJB: Die-cast or Machined aluminum body; painted finishes are granulated powder coat.

Remote Power Supply: 22 Gauge galvanized steel.

STATIC WHITE LED

2-step MacAdam ellipse LED module available in 90+ CRI configurations in color temperatures of 2700K, 3000K, 3500K and 4000K. Average rated lamp life: 50,000 hours. LED and driver assemblies are field-replaceable.

3-step MacAdam ellipse warm dim LED module available in 90+ CRI configuration. 3000K or 2700K at full brightness, warming to 1800K at full dim. Average rated lamp life of 50,000 hours. LED and driver assemblies are field-replaceable.

TUNABLE WHITE LED 🕕

3-step MacAdam ellipse tunable white LED module available in 90+ CRI configuration. Features tuning range of 2700K to 5000K and 1800K to 4000K. Average rated lamp life of 50,000 hours. Driver assemblies are field-replaceable.

MOUNTING

Fixture is supplied with a mounting adapter, which integrates with standard 4/0 junction boxes. Ceiling-mount junction box available for 1/2" and 3/4" conduit and features concealed internal clamps for clean fittingfree conduit exit and entry.

LISTING

Pending UL listing to UL1598 standard for Dry / Damp locations. NEMA 410 Compliant.

LIMITED WARRANTY

Manufacturer's 1-year warranty quarantees product(s) listed to be free from defects in material and workmanship under normal use and service. 5-year warranty on LED and power supply to operate with 70% of the original flux and remain within a range of 3 duv. 10-year Lutron Advantage limited warranty available on Lutron equipped systems. Warranty period begins from the date of shipment by Seller. Consult website for full warranty terms and conditions.
